The stallions that sired the most auction lots

Highest selling auction & individual lots

The month of December saw a rise in both sold lots as well as the prices for which they were sold. Two smaller auctions in particular impressed with high prices. The **Ballypatrick Auction** in Ireland being the auction with the top individual lot price. Artic Blue, a 7yo gelding by A Pikachu de Muze x Chaccoo Blue was **sold for the highest price of over 1 million, 1.190.000 euro** to be exact. Interestingly enough the highest total average price was for a different auction. **The Brilliance Collection in the UK** only sold 12 lots all together which totalled an **average price per lot of 197.476 euro!**

In terms of popular stallions, we see the no. 1 stallion of November - Chaccoo Blue - move out of the top 4 and replaced by two sires; Cornet Obolensky and Diamant de Semilly share the 1st place in December.
